Please use the space below to list your qualifications as a WSA Officer or Director: (additional pages if needed)

I have been involved in this super program for the four years my younger son participated in during his four years. I will still be helping Ken, New Richmond HS Advisor, out this year and longer.

I have been with 3M for 34 years and have many corporate contacts outside of 3M based on the type of work I do. I think there is a good possibility I could help get some of these corporations involved with WSA.

There could be some help I can get from 3M either directly or indirectly. When I say “indirectly”, I don’t mean anything illegal.
