

2007-08 Affiliation Fee

Dear Advisors,

The Wisconsin Energy Efficient Vehicle Association, Inc. (WEEVA) has implemented an affiliation fee for all Wisconsin Supermileage and Wisconsin Electrathon Teams effective this 2007-08 season.

As you may be aware, Wisconsin Supermileage and Wisconsin Electrathon have been working steadily to create a stronger state organization. Some of these efforts have included a larger state Board of Directors, the creation of a non-profit organization, consolidation of state regulations, solicitation of state funds/scholarships, stronger communication channels, and more.

To keep costs for teams down while still allowing the state entity to function fiscally, WEEVA has chosen to implement a \$25.00 fee to cover costs of mailings, website, fax, legal fees, traveling equipment and much more. Among other ideas such as Student Dues and Higher Registration Fees, the affiliation fee was calculated to be the cheapest and most manageable route for local teams, while still bringing in enough funds to pay the bills.

Benefits from the state organization, WEEVA, will continue through solicitation of larger sponsors and better communication channels. The next big addition is the implementation of www.ChallengeWisconsin.org this season. This website will be a hub for Wisconsin Supermileage and Wisconsin Electrathon and Wisconsin Energy Efficient Vehicle Association, Inc. Other additions this season include the submission of all Supermileage fees and forms to WEEVA allowing advisors to use only one mailing address versus 3-4 each year.

We hope to strengthen the Supermileage and Electrathon Challenges of Wisconsin for the continued progress and benefit of our students involved. If you have any further suggestions on how this can be further accomplished, the WEEVA Board of Directors welcomes your input.

Sincerely,

Jesse Domer
WEEVA Executive Director

Fees & Forms MUST be Postmarked by April 1st, 2008

Invoice # 0708-01

The Wisconsin Energy Efficient Vehicle Association, Inc. (WEEVA) has implemented an affiliation fee for all Wisconsin Supermileage and Wisconsin Electrathon Teams effective this 2007-08 season. The affiliation fee of \$25.00 is due to WEEVA, along with this completed form, Postmarked by April 1st, 2008.

The purpose of the fee is to bring financial stability to the state entity that supports and oversees the local Supermileage and Electrathon Challenges of Wisconsin, without placing a large burden on individual team's. More information about the affiliation fee is available on the internet at www.ChallengeWisconsin.org

** Checks should be written out to: Wisconsin Energy Efficient Vehicle Association, Inc.

** Please mail this completed form and your Affiliation Fee to the below address.

Notes:

- Affiliation Fees need only be paid once per school per year. This covers both Supermileage and Electrathon Teams.
 - Ex: if your school participates in both Supermileage and Electrathon, you still only pay \$25.00 (not \$50.00)
- Affiliation Fee does not take place of Vehicle Registration Fees.
 - The Affiliation Fee is in addition to your Vehicle Registration Fees at each challenge.
 - Vehicle Registration Fees/Forms are available on the web.
- Questions, contact Jesse Domer – WEEVA Executive Director at
 - (cell) 920-219-2922 or Domer@WisconsinSupermileage.org
